

It's not too late to make a difference!

With the holidays upon us and the year drawing to a close, we would like to take a moment to thank you for helping to make 2016 amazing. Through your generous support, we were able to give thousands of vulnerable companion animals a second chance at life by ensuring that they are loved, protected, healthy and happy.

Thoughtful friends, like you, make a BIG difference in so many ways. Below are just a few examples of the impact of your support this past year.

Together we:

- Found loving homes for over 4,500 companion animals
- Performed over 5,800 surgeries to save lives and improve health
- Provided over 6,233 homeless animals with safe and comfortable shelter
- Gave veterinary exams to 8,274 companion animals
- Investigated nearly 1,500 cruelty complaints
- Rescued 3,115 animals from unsafe conditions
- Launched a mobile spay/neuter clinic to address feral cat colonies throughout the province
- Improved comfort for our shelter animals by insulating the dog-housing areas, adding more space for outdoor play, and creating free-roam cat rooms

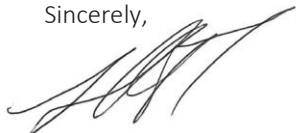

2016 was a record-breaking year for the Nova Scotia SPCA. But while we celebrate these successes, we cannot lose sight of the economic resources that are required to make everything possible. The reality is that we are still facing a deficit of over \$250,000.

With so much to recover from and so much left to do, we urgently need your support.

The good news is that there is still time to help! Please consider making a gift to the Nova Scotia SPCA before December 31st so that you can benefit from a 2016 charitable tax deduction. Through your support, you will prevent animal suffering and become a hero for companion animals who are abandoned, abused, or injured this winter season.

On behalf of our furry friends who cannot say it themselves, Thank You. Your support is a tremendous act of kindness and we are deeply grateful.

Sincerely,

P.S. Your contribution will support vulnerable animals locally in your community.
